Miss Dieketseng Justinah Mosolodi

Cecilia de mos fragrances was established on the 1st of May 2021 after the CEO miss Dieketseng Justinah Mosolodi woke up with a dream of being celebrated in Africa for creating her own Luxury perfume scents. She then decided to bring the dream into reality .That was how Cecilia de mos was born. The brand was named after the CEO's late grandmother who raised her in poverty. She later decided that Cecilia de mos should be a brand to benefit those who are coming from Disadvantaged Communities, those who are unemployed and those who are looking to make an extra income at their own space, own pace and own time.
